-**Simple Membership** (Indicate the Section(s) that you wish to join, tick 1-3 sections)

1. Stochastic Models and Processes ☐

2. Poisson, Markov, semi-Markov processes ☐

3. Probability ☐

4. Finance ☐

5. Insurance ☐

6. Monte Carlo methods ☐

7. Stochastic Simulation ☐

8. Artificial Intelligence ☐

9. Biology, Biotechnology, Medicine ☐

10. Marketing and Management ☐

11. Reliability and Survival Analysis ☐

12. Statistics ☐

13. Data Analysis ☐

14. Regression and Related Techniques ☐

15. Data and Text Mining ☐

16. Analysis of complex data (censored, missing, fuzzy,...) ☐

17. Functional data analysis, Discriminant, Classification, Clustering,... ☐

18. Chaos and Non-Linear Processes ☐

19. Neural Networks ☐

20. Demography and Demographic Models ☐

21. Other (Specify) ☐

- **Group Proposal** (6 members) Provide names and emails in a separate email including the Group's Title

- **Section Proposal** (10 members) Provide names and emails in a separate email including the Section's Title
